

Trait

1 - TRAIT

Use a helpful Trait. Strong helps open stuck doors or crack heads.

Item

2 - ITEM

Use a helpful item. (Special items require a specialized item Skill, e.g. longbow, lockpicks, greatsword, spellbooks, wand, etc.)

Skill

3 - SKILL

Use a helpful item Skill; requires the item.

Name

4 - NAME

Use a relevant Name (personal name, byname, title, or named item). "Dragon Slayer" helps with dragon stuff.

Assist

5 - ASSIST

Use an Action previously taken that “sets up” or “assists” the current roll. A “parry” helps defend. Characters can assist each other if they sequence their actions.

Effort

6 - EFFORT

Apply more effort. Thus, not possible if carrying Baggage, making something look easy, maintaining stealth or subtlety, climbing, swimming, wrestling, etc.
